MINUTES

On motion of Trustee Puglia, seconded by Trustee Jannetti and unanimously carried, the Board approved the Minutes of the Meeting of September 18, 2025.

MANAGEMENT REPORT

Director Montero updated the Board on staff news. Librarian Trainee Erik Malave received his public librarian's certificate and was promoted to Librarian I on October 10. On the same day, librarians Jessica Neto, Diane Mignault, Benedict Cosgrove and Amanda Ospina were all provisionally promoted to Librarian II. He added that as part of her promotion Ms. Mignault would be transferring to the Will Library as a collection specialist where she will lead strategy, inventory and projects aimed at creating more data-informed and patron-responsive collection policies, and Charlie Loftus would begin to split his time between the adult services and children's departments at Riverfront where he can pursue more inclusive services and programming.

Director Montero discussed ongoing collaboration with Yonkers Public Schools (YPS). Two librarians, Renee Rabadi and Eileen Fusco, have accepted coordinator roles focused on strengthening YPL's partnership with YPS. Their responsibilities include coordinating outreach, promoting library access and resources and providing training and professional development for educators. In addition to Ms. Rabadi and Ms. Fusco, 22 other library staff also attended 28 different open houses at various schools throughout the district. This collaboration builds on a successful summer reading program and Director Montero also noted that the Superintendent of Schools already reached out to inquire about more library card signups and enhanced digital access for students.

Director Montero reported on library programming and outreach. YPL celebrated Hispanic Heritage Month with dozens of programs, including film screenings, book discussions, genealogy workshops and cultural performances; special events included a lecture on murals and mosaics in Spanish Harlem and an exhibition of artwork by Mexican artist Jorge Manjarrez at Riverfront Library. Riverfront also hosted Yonkers Comic Con on September 27 in partnership with Yonkers Arts. The event, which drew over 4,200 visitors to Riverfront that day, featured over 20 individual events, including interviews with comic book creators and a trade show with over 15 vendors.

Trustee Edoziem arrived at 7:10 pm.

Director Montero announced that the Foundation for Yonkers Public Library (FYPL) received a \$25,000 grant from Con Edison for the Yonkers Seeding Change Initiative (YSCI). The grant will be used to sustain the popular Seed Library program, environmentally clean STEM programs and camps, and landscaping projects at Will Library. Director Montero noted that YPL is the only library outside of New York City to receive this grant.

Director Montero updated the Board on the status of the chiller project at Will. The project is substantially complete, with all three new chillers installed, tested and activated. The temporary chiller was returned on September 25, three weeks earlier than anticipated. However there is a planned three-day shutdown beginning November 3 to replace the building's outdated electrical switchgear as part of the project. These dates were scheduled around the library's closing for Election Day to minimize disruption to the public. Following this, the final walkthrough and punch list will be conducted to formally close out the project.

**Yonkers Public Library (YPL) Board of Trustees Meeting
Management Report
November 20, 2025**

Staff Updates: Keisha Manning was hired as a Librarian I in the Riverfront Reference Department on November 5, 2025. Ms. Manning is a graduate of the Palmer School of Library and Information Science. She has held roles at Columbia University, HBO, and Spotify, experiences that have shaped her approach to information access, storytelling, and community engagement. Ms. Manning has already expressed an interest in strengthening workforce development initiatives at YPL.

YPL Storms Saratoga! From November 5-8, 2025 the New York Library Association (NYLA) hosted its Annual Conference in Saratoga Springs, NY. A record-breaking number of YPL staff attended and served as panelists at the conference, including:

- Z Baird (with Yonkers Public School's Director of Library Services Cynthia Palmer): "Level Up! Public Library + High School Connection = Teen Readers"
- Haifa Bint-Kadi: "Transforming Library Spaces by Exhibiting Art"
- Jackie Leone and Z Baird: "Sustainable Programming: Repair Cafe, DIY Crafts, and Eco-Friendly Swaps"
- Charlie Loftus, Diane Mignault, and Shauna Porteus: "Creating a Sensory Space"
- Michael Walsh: "Yonkers Remembers: Veterans History Project and Digital Archiving"
- Nancy Wissmann: "Full STREAM Ahead: Tips & Experiments on Starting a STREAM Storytime"

The increased number of participants is an indicator of YPL's growing stature and recognition for innovation in the field of librarianship.

Community Development Block Grant (CDBG) Update: On October 30, 2025 the City of Yonkers informed YPL that it had been awarded a \$25,650 Community Development Block Grant (CDBG) for its Second Floor Social Service Hub proposal. The grant will go towards purchasing furniture, equipment and technology for the second floor of Riverfront Library. CDBG is a program of the federal government's Department of Housing and Urban Development (HUD) which has undergone numerous cuts in the last year. As a result this year's award is less than YPL requested, and less than it has received in the past.

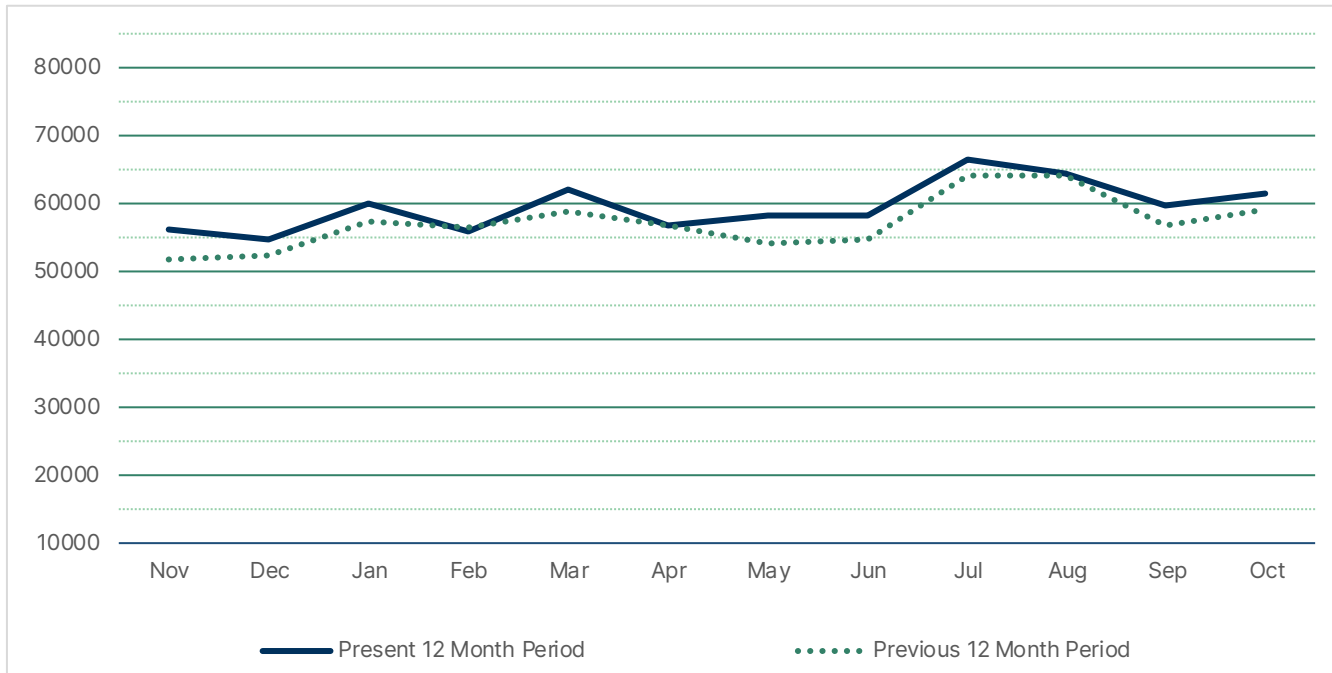

Will Library Chiller/Switchgear Update: Will Library closed November 3-5, 2025 due to a planned electrical shutdown, during which time the building's aging electrical switchgear was replaced with modern, code-compliant equipment. The work passed inspection and Con Edison "repowered" the building on the morning November 6, allowing the building to reopen to the public before 1pm. The new switchgear makes the building's electrical infrastructure safer and more reliable. With the installation of the new chiller and replacement of the switchgear, YPL's \$2 million capital project is now "substantially complete." YPL is working with the City of Yonkers and its construction manager, Thermodynamics, to complete "punch list" tasks.

Podcast *YPL Beyond the Books* Launches Inaugural Episode: YPL is excited to announce the launch of *YPL Beyond the Books*, a storytelling podcast initiative designed to highlight voices and stories that define our library and community. The series will highlight the voices and stories that make our library and community so vibrant. We plan to produce four episodes annually, potentially expanding as our internal production capabilities develop. The inaugural episode features the very

popular children's musician Zev Haber, who performs monthly at the Will and Riverfront Library branches and is recognized for his catchy, quirky originals compositions. This episode was developed by Sarah Lawrence College CLIP intern Aurora Sharp as part of her summer project, with production support from Patricia Ricardo, Ben Cosgrove, and Michael Walsh. The production team is currently identifying guests for the second episode and welcomes suggestions from board members. Episodes are currently available on Spotify, Apple Music, and the library's website.
