

Enjoy Your Library at Home

While the library is closed, and many of you are forced to spend more time at home, we encourage you to take advantage of YPL's vast collection of eBooks, eAudiobooks and subscription online services. Find comfort and distraction from books, and keep your mind and skills active through online learning. To access them you will need a YPL library card and PIN. If you've never had a library card, we can set up a virtual one for you by [filling out this form](#). If you need to re-register your account or reset your PIN you can email info@ypl.org or call 914-375-7953.
